Attn: Maintenance Fees
2051 Jamieson Avenue, Suite 300
Alexandria, VA 22314

Dear Director:

After review of the file, Applicant submits that a Small Entity Status was asserted at the time of filing the above-identified application.

Pursuant to the guidelines of 37 CFR § 1.28(c), the Applicant hereby informs the U.S. Patent and Trademark Office that the above-identified application no longer qualifies for a Small Entity Status as of December 16, 2008. The error occurred in good faith and with no deceptive intent by the Applicant. Enclosed please find a check in the amount of the deficiency of any of the payments made to the U.S. Patent and Trademark Office as a Small Entity after December 16, 2008.

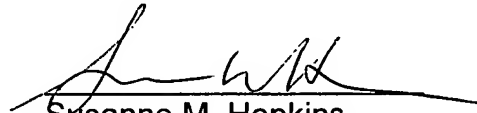

The payment for the filing of the first Maintenance Fee payment was \$490.00. The total payment for the fees as a Small Entity, which needed to be paid as a large entity, was \$490.00.

The total deficiency payment now owed is \$490.00, which is the deficiency owed amount for the filing of a brief in support of an appeal erroneously paid as a Small Entity, using the current fee schedule. A check for the amount of \$490.00 is attached.

Should the Patent Office have any questions, the undersigned can be contacted at the below-listed address and telephone number.

Respectfully submitted,
